AUGUST 7, 2010

We invite you to participate in the event "Art at the Ballpark".

The "Art at the Ballpark" event will be accepting Entries for this year's Art Fair, being held in conjunction with our August Festival. The Art Fair will be held at Fifth Third Ballpark on August 7, 2010 from 12 Noon to 6:00 PM in conjunction with The Great Lakes Irish Music Festival.

With a great, anticipated crowd and major media advertising of this event, throughout the State and Midwest, this will be an excellent opportunity for all our exhibiting artists, as well as the buying public.

The Festival is a family oriented event, and the original Irish Music Festival in West Michigan. The Festival features, direct from Ireland, great music, Irish food & drink, Markets, Workshops, Children's Area, and much, much more. Fifth Third Ballpark is an outstanding facility for our audience, artists and exhibitors for this well respected event. Our artists are not limited to Irish themes for their artwork. Any type or form of original artwork may be displayed, exhibited and sold within the listed categories. The Art Fair will be held in a separate, designated area only for our participating artists. Artists will be listed in the Festival's Program, as well as, on the Festival Website.

This is a non-juried show. There will be an award for overall Best in Show of \$125.00 presented on the day of the Festival. In addition, a People's Choice Award of \$75.00 will also be presented at the Festival. The application fee is most nominal to participate at \$50.00 per booth, or \$40.00, with an early bird registration by July 1st. Booth fee includes electricity.

To participate in this year's event, please complete the application form and return to us, timely. Space is assigned on first come basis.
